

Phillip C. Edwards New Life Project 4th Annual Birthday Dinner and Gifts for the Homeless

SUNDAY, JULY 17, 2011

@ Ministry with Community, Kalamazoo

DONATE PLEASE • EVERY DONATION HELPS!

Our beloved Phillip, who would be 28 on July 11, helped others through his carpentry, volunteering to remodel and build for those who could not afford it. He went around town giving warm gloves and hot food to those who were homeless. He shared his plans to do this in a big way with a carpentry "Pay-It-Forward" program.

These things are Phillip's legacy, being carried out each year, through those who love and remember him forever.

*Last year we had enough to serve over **400** meals, plus t-shirts & gifts for **300** men, women & children.*
